

# Meeting on the Imaging Technologies for the Skin

MAVIG

Atys Médical

**Becarefull !!  
Date has  
changed !!**

Because of strong disturbances on underground and rail transportation scheduled for October 18th, 2007, we are constrained to defer the meeting to

**Thursday November 8th, 2007**

**The Schedule, the program and the place remain unchanged**

*Please excuse us for this nuisance independent of our will (!). We sincerely hope to be able to meet you for this day, at the beginning of November ...*

*Thank you for your comprehension...*

The organisation team
